

CUSTOMER GRIEVANCE & DAMAGE NOTICE

Account Inquiry: INQ-33102

Customer Name: Vikram Malhotra

Email: vikram.m@domain.co

Category: General Inquiry

Inquiry Details:

Hello team, I am writing to inquire whether our enterprise tier subscription includes the new batch API features announced in the recent developer changelog. This is not a grievance or complaint - we are simply planning our Q4 infrastructure budget and would like documentation regarding rate limits for bulk webhook processing.

No supporting documents attached as none are needed.

Current Status:

Documentation link sent to customer email. Ticket closed as resolved inquiry.
